Scholarly Output Report

Cumulative record — calendar years 2025–2026 · Updated June 10, 2026

Highlights at a Glance

75 Total Scholarly Outputs	22 Peer-Reviewed Publications	17 Manuscripts In Review	36 Conference Presentations
--------------------------------------	---	------------------------------------	---------------------------------------

By the numbers. In just two calendar years the Center has produced **22 peer-reviewed publications** (11 in 2026 and 11 in 2025), with **17 additional manuscripts** advancing through peer review and **36 conference presentations** delivered at national and international meetings.

Where the work appears. Featured in JAMA Network Open, PLoS One, the Journal of Clinical Oncology, The American Journal of Surgery, The American Surgeon, the International Journal of Gynecology & Obstetrics, Annals of Vascular Surgery, the Journal of Urology, and Blood (American Society of Hematology).

Research focus. A sustained program in health-policy and health-equity outcomes — Medicaid expansion and the Affordable Care Act, neighborhood socioeconomic deprivation, and racial and insurance-based disparities across oncologic, surgical, obstetric, and mental-health endpoints.
