FACULTY SHOWCASE

If you have an exciting announcement to share with your colleagues please email Swati Jain Goel, MD at swati.goel@howard.edu so that we can highlight in our newsletter!

Congratulations to Richard F. Gillum, M.D., MS, Professor, Department of Medicine who has published an article in *The Pharos*, Alpha Omega Alpha's quarterly journal that publishes scholarly essays covering a wide array of nontechnical medical subjects, including medical history, ethics, and medical-related literature. Dr. Gillum is currently a Professor and research scientist at Howard University in the College of Medicine. His research topics include cardiovascular epidemiology, aging, risk factors and also Alzheimer's disease prevention trials.

He received the Doctor of Medicine (*Hons*) from the School of Medicine, Northwestern University - Chicago, IL, USA, and the Master of Science in epidemiology from the School of Public Health, Harvard University - Boston, MA, USA. Previously, he received a BSc (*Hons*) in pre-medical sciences from Kansas State University - Manhattan, KS, USA. Please click on the link below to access the article.

GEORGETOWN-HOWARD UNIVERSITIES CENTER FOR CLINICAL AND TRANSLATIONAL SCIENCE (GHUCCTS)

GHUCCTS NEWS!

The Georgetown-Howard Universities Center for Clinical and Translational Science ([GHUCCTS](#)) is excited to be part of the newly established NIH [Trial Innovation Network](#) and we would like our institutional investigators to take advantage of this unique opportunity. There are two ways that you can participate: (1) you may propose a multi-site clinical trial as a GHUCCTS investigator to leverage the resources of the nation-wide Trial Innovation Network, or, (2) you can be considered to be a site investigator for a multi-site clinical trial sponsored by the Trial Innovation Network.

Please visit www.trialinnovationnetwork.org to learn more about this new program and how it can be beneficial to your program.
