Educational Scholarship Recipients for the Harvard Macy Program for Educators in Health Professions

Congratulations to our faculty members whose applications were successful accepted for the 2018 Harvard-Macy Institute Program for Educators in Health Professions! We are extremely grateful for the Kaiser Permanente Faculty Development Award that has made funding for this extraordinary opportunity possible. For the second year since receiving the award we are sending two successful applicants. Drs. Lee and Dávila-García will enter a rigorous residential program to arm them with educator skills that will be highly relevant for the College of Medicine. Of note, this is the second successful application by Dr. Dávila-García who attended an assessment course at the Harvard Macy Program last year.

Dexter L. Lee, Ph.D., FAHA
Associate Professor and
Director of Graduate Studies
Department of Physiology and Biophysics
Howard University College of Medicine

Martha I. Dávila-García, Ph.D.
Associate Professor and
Director of Graduate Studies
Department of Pharmacology
Howard University College of Medicine

High Value Practice Academic Alliance
The High Value Practice Academic Alliance (www.hvpaa.org), a consortium of faculty leaders from > 80 academic medical centers working to improve health care value through collaborative quality improvement, research and education created in 2016 by Johns Hopkins School of Medicine:

Value-based quality improvement guides, co-authored by experienced faculty from multiple institutions.

High Value Future Leaders Program. A free, year-long leadership program for house staff, which includes attendance at the national conference.

Educational Webinars. Monthly conference calls include an educational presentation related to high value quality improvement.

The organization provides opportunities for scholarly activity for faculty and house staff through presentations at the annual conference and multi-institutional publications. There is no registration fee, and membership information is available at http://hvpaa.org/join-the-alliance/
