### OFFICE OF PROFESSIONAL DEVELOPMENT

#### Annual Retreat Update

As mentioned in June's issue of the newsletter, we are distributing the URL that links to the Faculty Development website for highlights from the Faculty Retreat, as well as the relevant articles. We will send a follow-up email of the videos from the retreat as soon as they become available to us. If you were unable to attend the retreat, this will be a good tool to catch up on what was missed. Young-Joo Lee, Senior Clinical Librarian at the Louis Stokes Health Sciences Library has developed a webpage containing all of the retreat presentations and relevant articles.
